PRINCIPAL'S MESSAGE

Dear parents, carers and community members,

As the term draws to a close I would like to wish all families a safe, fun and relaxing break. We have had a most successful term and many opportunities to celebrate together. Next term promises to be just as productive and positive.

Welfare/Wellbeing Policy Review

If you would like to be involved in this working party please let me know so I can include you in correspondence and planning. Our P & C will play a major role as the representative decision making body but there will also be lots of other opportunities to be involved.

Parking and Pick-up

Thank you for your support as we continue to seek resolution to our difficult site in regards to dropping off, picking up and parking. I have purchased some banners to place at the front of the car-park area at the front of the school. This area is staff parking, deliveries and special transport for students. It also has our disabled parking area for drivers who need to park their cars and come into school. These

banners will be used to remind community of how we are trying to minimise dangerous situations, particularly for students. They are designed to be used as a reminder; they are not designed to offend. I know our situation is a priority for our community and I hope we will be able to make considerable progress in rectifying some of the issues next term.

ANZAC

Friday 7th April at 10:45 am. Our community is most welcome to attend.

Kind regards,
Christine Wild

CLEAN UP THE SCHOOL DAY

Our term 1 clean up will be held **TOMORROW** Friday 7th April for primary students.

Students in years 3-6 may bring rubber, disposable or gardening gloves for this activity if they wish.

There should not be too much rubbish to collect if all students remember to take pride in our great school and continue to use the garbage bins for their rubbish.

We believe this approach supports a clean and tidy environment for the whole year.

STAGE 2 EGGSHIBITION

Congratulations to all students in 3H, 3S, 4B and 4M on a wonderful 'Eggshibition' display. There were some egg-sciting and eggsellent dioramas to look at and Year 3 and 4 can be eggstremely proud of their efforts.

Cracking the ABC Code comes to Port

First time workshops for parents and teachers

Parents and teachers interested in helping struggling students have a unique opportunity to attend the first Port Macquarie Cracking the ABC Code workshops this May.

Dyslexia Support Mid North Coast will host the workshops at The Westport Club Port Macquarie on Friday 5 May for parents, and Saturday 6 May 2017 for teachers and professionals.

Cracking the ABC Code founder Dr Lillian Fawcett Ph.D., B.Ed., B.A. (Psychology) is visiting from Western Australia for the Ironman weekend. Lillian has over 20 years teaching experience, is an accredited Dyslexia-SPELD specialist teacher and has successfully helped hundreds of students improve their literacy skills.

This is a great opportunity because there are currently no SPELD specialist tutors in our region to assist families with specific learning difficulties. It is reasonably priced but be quick to secure your tickets.

Intention to apply: Year 5 entry to an opportunity class in 2018

Dear Parent/ Carer

Opportunity classes cater for highly achieving academically gifted students who may otherwise be without sufficient classmates at their own academic and social level. These classes help gifted and talented students to learn by grouping them with other gifted and talented students, teaching them in specialised ways and providing educational materials at the appropriate level.

Applications for opportunity class placement are considered mainly on the combined results of the Opportunity Class Placement Test and school assessments. The Opportunity Class Placement Test will be held on **Wednesday 26 July 2017**.

If you would like to have your child considered for Year 5 opportunity class entry in 2018, you need to apply soon. You will need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available from **26 April 2017** in a printed application information booklet and at <https://education.nsw.gov.au/selective-high-schools-and-opportunity-classes/year-5> . The application website opens on **26 April 2017** and closes on **Friday 12 May 2017**. No late applications will be accepted.

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Unit for assistance after **26 April 2017**.

You must submit only ONE application for each student.

Yours sincerely

Principal

Note: THIS IS NOT AN APPLICATION FOR ENTRY TO AN OPPORTUNITY CLASS. This is a notice to your primary school only that you intend to apply.
