## PRINCIPAL'S MESSAGE

Dear Parents, Carers and Community Members,

### WALK-A-THON

Sponsorship money is steadily coming in and we would appreciate finalising our fundraising efforts as soon as possible.

### KINDERGARTEN 2018

We have had a great response to requests for enrolments for our 2018 kindergarten. Please spread the word to possible new families as we have begun our planning for our extensive transition program and will be contacting families early next term.

### TERM 2 BAND FEES

These are now overdue and we would appreciate prompt payments of any outstanding fees.

### STUDENT LUNCHES

If for any reason students are not able to be provided with morning tea or lunch please give the office or myself a call, we can organise food for your child through the canteen. I have arranged with Trish to send an invoice home that can be paid later or discuss any payment issues with me.

Kind regards,

**Christine Wild**  
Principal

### STUDENT COUNCIL FUNDRAISING

North Haven Public School will again support the 2MC Give Me 5 for Kids campaign to raise funds for the children's wards in our local hospitals.

The student representative council (SRC) will co-ordinate this activity and are hoping to get as much support for this as we have had in previous years.

Fund raising has begun, so please start bringing in coins. SRC representatives will be near the bell in the undercover area at recess and lunchtime.

## CHANGES TO OUR SCHOOLS FINANCE AND STUDENT MANAGEMENT SYSTEMS

Our school will soon be migrating to the new Department of Education state wide program for financial and student administration management called Learning Management and Business Reform or LMBR.

We are currently going through many transition processes to facilitate this change which will see some different ways of operating from our office side of things.

The systems we are using today are outdated, and don't support our current or future needs.

The Learning Management and Business Reform (LMBR) program will address these needs with new, integrated systems that will support the vital work of staff at schools across NSW.

The LMBR program will deliver schools with modern finance, student management and student wellbeing systems that will provide all NSW Public Schools with an integrated set of tools designed to help staff deliver the best possible outcomes for the students and communities they serve.

The program is delivering modern, integrated IT systems to better support the many aspects of teaching and learning in NSW Public Schools. The new systems will transform the way we work to provide flexibility, efficiency and sustainability across the Department. It is not just about technology, but about changing the way we work as a school and as a school community as a whole.

Modernising school systems across NSW allows for:

- ♦ a consistent way for all schools to manage financial and student data
- ♦ portability of wellbeing and learning data so each student's information follows them when they change schools
- ♦ improved collaboration between teachers, students and parents and carers around a student's learning continuum.

Once deployed to our school, the LMBR systems will deliver some immediate benefits, and when fully integrated across all schools, other benefits will be realised.

The new student management systems will enable consistent access to student learning, wellbeing and engagement records as a student moves schools throughout their public education. This provides greater visibility and personalisation of students' learning plans, and enhances teamwork and engagement between teachers and parents and carers.

Mrs Groves, Ms Gilman and Mrs Wild will be receiving extensive training over the next few months and the school will "Go Live" in the new system and a new bank account on **4th September 2017**.

To ensure a smooth transition, there will be changes to the way we accept payments from parents and carers.

- ♦ **EFTPOS payments:** We will not be able to accept EFTPOS payments between **30 August and 5 September 2017**. Please ensure that you have made any outstanding EFTPOS payments before **30 August, 2017**. From **5 September 2017**, EFTPOS payments will be accepted as before.
- ♦ **Cash and cheque payments:** Between **30 August 2017** and **4 September 2017**, we will also not be able to accept payments by cash or cheque as we prepare to close our current bank account and transition to the new one. Please ensure that you have made any outstanding cash or cheque payments before **30 August 2017**. From **5 September 2017**, cash and cheque payments will be accepted as before.
- ♦ **Online payments (POP):** As of **25 August 2017**, payments to our current online payment facility **will cease**. You will not be able to use the Department of Education's Parent Online Payment (POP) system until **Monday 4 September**.

Thank you for your patience and understanding as we transition to our new finance system. If you have any questions, please contact **us on 6559 9261**

School Administration Manager

# SCHOOL REMINDERS

## WANTED

The canteen is looking for donations of 4 litre ice cream containers with lids. If families have any unwanted containers they no longer want, the canteen will give them a good home. Thank you for your support.

## Students Coming to School with Illness

We have had a number of students presenting at the office feeling unwell.

Colds and flu are prevalent at the moment and in order to reduce the spread of these symptoms, where possible children should be kept at home until the symptoms subside.

It would be appreciated if your child complains of cold or flu symptoms please consider monitoring them at home, where possible.

Thank you for your support.

## The simplest way

...to pack a healthy lunch box.

Packing a healthy lunch box is as simple as including each of these food groups. And you can combine several in a single item.

Try a pita pocket (bread) with lamb kofta (meat) and tabbouleh (salad).

Or go for a tub of whole or *puréed* berries with natural yoghurt for a fruit and dairy combo.
