# School Banking

North Haven Public School is pleased to offer the Commonwealth Bank School Banking program to all students.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2019 are:

- Scented stackable highlighters (term 1)
- Snowy origami set (term 1)
- Icicle slapband ruler (term 2)
- Yeti fluffy notebook (term 2)
- Arctic Owl fluffy keyring (term 3)
- Scratch art cards (term 3)
- Water skipping bounce ball (term 4)
- Polar pencils & pencil toppers (term 4)

## Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

### 1. Online

Visit [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking) and click on the link to open a youthsaver account.

### 2. In branch

Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver's licence and birth certificate.

### 3. Log onto the Commbank app

If your child has an existing Commonwealth Bank Youthsaver account they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School banking day is Monday. Each week you need to bring your bank book to school and place it in the grey bank bag in your classroom.

If you would like to know more about School Banking, please ask for a 2019 School Banking program information pack from the school office or visit - [commbank.com.au/schoolbanking](http://commbank.com.au/schoolbanking)
