

Education Week
 Creating futures – Education changes lives.

This week is Education Week where we celebrate “Public Education” and the achievements of our schools, students and our education system.

This year Education Week will be held from 1 to 5 August celebrating the theme: ‘Creating futures – Education changes lives’ that celebrates the quality education we provide and the opportunities available to everyone in NSW public education.

At NHPS we continue to celebrate the journey of our students and learners, focusing on how we are creating futures for them.

We celebrate a diverse range of learning at NHPS and we have a shared responsibility in helping to shape the lives and create the future of the children in our care.

Public education can change the lives of not just our students, but also the lives of our teachers, staff, families and communities.

Please join us this Friday and share with us the amazing learning journey of your child and celebrate

all that NHPS has to offer.

Family Conferences
 Our family conferences are coming up in **week 5**. This is a great opportunity to continue building connections between home and school. They are a chance for teachers and parents to come together and discuss current concerns, plan how to address them as a team and celebrate your child’s successes.

Students are included in these conference and hold as much responsibility for the conferences as their parents and the teachers. The 3-way conference reinforces our expectation that students take responsibility for their own learning. Your child should have brought home a personal invitation to attend the family conferences earlier this week. I strongly encourage you to please make a booking via the online booking platform or contact the school office.

Kind Regards,

Linda Xerri
 Principal

Primary Athletics Carnival

NHPS held the 2022 Athletics Carnival last Tuesday at Laurieton. Although the carnival was cut short due to the weather it was great to see students 'having a go' and doing their best, earning valuable house points.

The carnival was the culmination of the primary's term 2 sporting program, focusing on athletics skills. Students were taught the basic skills and safety aspects of long jump, high jump, shot put, discus and sprinting, rotating through these skills on a weekly basis.

Congratulations to the winning house for 2022 - **EUCALYPT**

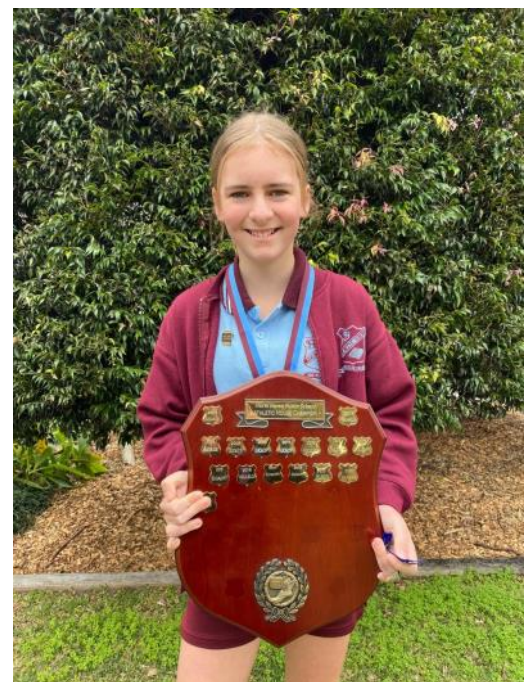

Our individual champions were:

JUNIOR GIRL	Jypsi Yonon	Banksia
JUNIOR BOY	Zeke Woollam	Banksia
11 YEAR BOY	Jonty Ward	Eucalypt

Over 30 athletes will now represent North Haven Public School at the PSSA district carnival to be held at Blackbutt Oval, Wauchope on Tuesday, 9th August.
